Student Code of Dress and the Correct Wearing of the School Uniform

The school uniform, among other things:

- Provides a sense of communal identity and pride in the school
- Raises aspirations: Students tell us that if they look 'smart', then they will have more confidence.
- Represents a visible commitment to the rules and policies of the school
- Gives a signal that students will work hard and learn without 'fashion' distractions.

The following points provide clarification on the Student Code of Dress and the Correct Wearing of the School Uniform:

School hoodies

School hoodies form part of the PE uniform only. They are not permitted to be worn outside of PE class. On no account are hoodies to be worn over or instead of the school jumper.

Shirts

Shirts must be white and must not have reverse collars as these cannot be worn properly with the tie. Only white tee shirts are acceptable under shirts.
