

Easter Holidays

Friday 3rd April – Monday 20th April

We would like to thank the staff and all in our school communities for the efforts that have been made over the last number of weeks to deal with the various issues that have emerged in this period of national emergency. We have tried to ensure that there is continuity of teaching and learning in so far as is practicable and that connection is maintained with our students.

Work will continue this week (Monday 30th March – Friday 3rd April) on maintaining that continuity and connection which is so important at this time.

The Easter Holidays commence at the end of this week and will continue until Monday 20th April 2020. Staff and students are encouraged to embrace the holidays and take a break from work to support their wellbeing.

Teaching and Learning will recommence on Monday 20th April either in school as normal or under our present remote and online arrangements.
