29th April 2020

Dear 3rd yr Students,

I hope that you are keeping healthy and well and staying focused on your school work to the best of your ability.

As you may have heard, today the Minister for Education and Skills Joe McHugh TD has announced further revised arrangements for this year's Junior Cycle. You will probably hear a lot about these changes on the news or in the media in the coming days.

You will not be doing Junior Certificate Exams in June or September. Instead, over the next few days your teachers will be meeting to discuss and plan for your final school assessments and reports.

We will be in contact with you and your parents next week about these. Until then, please stay focused on your school work and learning because you may need this for your final assessments and because all the learning that you do now will be of additional benefit to you next year.

Yours sincerely,

Ms Raughter
Principal
