Dear 6th Year Students,

I hope you and your families are keeping safe and well. I am sure at this stage that you have heard the announcement from the Minister for Education and Skills today about the Leaving Certificate and Calculated Grades.

I am writing to you to let you know that staff will meet on Monday afternoon to discuss the announcement and that as soon as possible next week we will hold an online meeting for all of you and a meeting for your parents/guardians also.

I know that a lot of you have many questions about what all of this means. We will do our best to answer those questions but please know that schools were only given this information today also.

For now, try to take a break this weekend and do something nice. I will be in touch again next week and look forward to meeting you online.

Kind regards,

Ms Raughter
