Dear 6th Year Parent/Guardian,

I hope you and your families are keeping safe and well. I am sure at this stage that you have heard the announcement from the Minister for Education and Skills today about the Leaving Certificate and Calculated Grades.

I met with the 6th Years online this afternoon and am writing to them and to you now to let you know that staff will meet on Monday afternoon to discuss today's announcement and that as soon as possible next week we will hold an online meeting for 6th year students and a meeting for 6th year parents/guardians also.

I know that a lot of you and your daughters have many questions about the implications of today's announcement. We will do our best to answer those questions but please know that schools were only given this information today also.

I will be in touch again next week and look forward to meeting you online.

Kind regards,

Emma Raughter
Principal
