Dear 6th Year Student,

I hope you are keeping healthy and well. As promised, I'm keeping you updated. You might have heard that yesterday evening the Department of Education & Skills published the **Guide for Schools on Providing Estimated Percentage Marks and Class Rank Orderings**.

The guide is intended to give direction and clarity to schools on how to provide estimated percentage marks and class rank orderings within the calculated grades system. However, it is a very long document.

The 6th year teachers will have online meetings after the weekend to discuss the guide. We will then be in touch with you to arrange an online meeting for you and to explain what is involved.

In the meantime, get some rest and have a relaxing weekend.

Yours sincerely,

Emma Raughter

Principal
