11th May 2020

Dear Parents,

I hope you and your families are keeping safe and well.

The assessment schedules for 1st, 2nd, 3rd and 5th years have now been finalised and are now published on www.loretobray.com. The Year Leaders have emailed a copy to the students to their school email address.

It is important to note that all of the subjects have been afforded a window of at least two days. We understand that there are challenges for some students regarding wifi, sharing devices etc. It is hoped that this schedule will assist students to manage and plan their assessment schedule to suit their individual circumstances. This level of flexibility has been incorporated into the assessment schedule and the assessment methods to minimise stress for your daughter.

Subject teachers will give more information to their students, and answer questions specific to their subject during the remainder of this week. If students have any questions, they should get in touch with their subject teacher via Google Classroom or email. Any parental queries can be emailed to info@loretobray.com.

Kind regards,

Emma Raughter
Principal
