Dear Parent/Guardian,

I hope you and your families are keeping safe and well.

We have received a few queries regarding students getting access to their lockers in the school. The health and safety of our students and staff is our priority and accordingly we sought advice on giving students access to the building.

We have been definitively told that schools and colleges remain closed and accordingly there can be no access to the building for students or non-essential personnel at this time.

When schools do reopen in late August students will have ample opportunity to retrieve their books from their lockers.

Yours sincerely,

Emma Raughter
Principal
